Hi Sylvia,

I just heard back from our records coordinators and they said the files should be available by next Tuesday or Wednesday. At this time, we hope to also respond to FOIA EPA-R2-2016-010288 recently submitted by your office.

Again, thank you for your patience.

Best,

Krista

Sylvia,

Hope all is well with you too. I'm hoping to have everything uploaded to FOIA online within the next week. August vacation schedules and the approaching end of the federal fiscal year caused some delay but I believe the final electronic file conversions are winding down. I will keep you updated if anything changes. Thank you for your patience.

Best,

Krista

Krista, hope all is well. We are following up on the referenced FOIA request - does the EPA have an estimated date for the production of documents responsive to this request? Thanks very much in advance.

All the best,

Sylvia
